With deepest we regret to announce the sudden death of Jim Claffey, EI2DDB, Howth Road, Sutton, Co. Dublin. Jim passed away suddenly on Tuesday 17th July. Jim will be remembered by those early morning travellers on the road runner net and to long QSOs late into the night on 2 Meters. Sincere sympathies to his family. May he rest in peace.

World Radiosport Team Championship

The winners of the 2018 World Championship of Radio Amateurs are from Lithuania. Gedas Lucinskas (LY9A) and Mindis Jukna (LY4L) were the top team at the event held in Germany last weekend in conjunction with the IARU HF Championship. Gedas and Mindis, using the call sign Y81N, logged over 5,000 QSOs during the 24-hour contest, a considerable achievement by any standards and in particular given that they operated under field-day conditions and with a power limit of 100 watts. CW accounted for 70% of their QSOs.

These team championship events are held every four years, the next event will be in Bologna, Italy in 2022.
